HAMPTON UNIVERSITY

is a privately endowed, coeducational non-sectarian institution of higher education with accreditation from the Southern Association of Colleges and Schools, the Department of Education of the Commonwealth of Virginia, and other agencies. The University continues the tradition of “education for life” by providing graduate programs designed to prepare students for professional competence in a specific field and additional graduate study. The graduate programs are listed in the application that follows.

ADMISSION INFORMATION

In accordance with Title VI of the Civil Rights Act of 1964, Hampton University is required to conduct a student enrollment survey pertaining to date of birth, ethnicity and gender among members of its student body. We ask your assistance in fulfilling this requirement. (Note: This information in no way affects admission to Hampton University.) Hampton University does not discriminate on the basis of race, gender, creed, religion, handicap, national or ethnic origin or sexual orientation in the administration of its educational policies, admission policies, employment policies, scholarship and loan programs, or other university programs.

After reading the instructions, please complete each applicable question in full. Type or print the information legibly using a pen with black or blue ink. Applications submitted with incomplete information may delay or impede the admission process.

All students seeking admission to the Graduate College of Hampton University must submit a completed application form. Applicants may apply for admission as either a regular (degree-seeking) or special (non-degree) student. Each applicant will be notified in writing of the decision rendered. Admission is limited to the term indicated on the application form.

APPLICATION FEE

The application for admission will not be processed without the required application fee of thirty-five dollars ($35.00). The fee, payable by check or money order to Hampton University, cannot be waived. U.S. currency (money order or bank draft) is required of international applicants for the payment of this fee. The application fee is not refundable and does not apply toward tuition.

SUPPORTING DOCUMENTS

Before any action on this application for admission can be taken, the Graduate College must receive the following documents from applicants seeking admission as regular (degree-seeking) students.

1. One official transcript from each college or university attended. Official transcripts may be requested by contacting the registrar at the applicable institution(s). Transcripts must reflect all undergraduate and graduate work completed as well as the degree(s) awarded. Only transcripts sent directly from the institution will be accepted.

2. Official scores are required from the Graduate Management Admission Test (GMAT) for MBA program, Medical College or Dental Aptitude Test (MCAT/DAT) for the medical science program, Graduate Record Examination (GRE) for applicants to all other graduate degree programs. Additional requirements are PRAXIS scores for applicants to Education programs and the Test of English as a Foreign Language (TOEFL) or the International English Language Testing System (IELTS) for applicants whose native language is not English.

3. Two letters of recommendation from persons familiar with academic and professional qualifications using the format provided.

Please note that all credentials submitted in support of this application become the property of Hampton University and are not returnable.
