Your Program Coordinator's contact information was included in your admission packet. We hope that you will take the time to communicate with him/her to discuss any questions that you may have as well as to seek pre-registration advisement. After being advised, you are encouraged to take advantage of the opportunity to **pre-register from June 1 – June 23, 2017**. The link to the Fall 2017 Scheduling Guide can be found under the Announcement tab on the Graduate College's website [by clicking here](#). Detailed instructions on how to access HUNET to enter your courses are included in the guide.
