$50 non-refundable fee
Submit official transcript(s) from each college/university attended
An official transcript from each college/university attended
Your supporting documents may be emailed as scanned pdf’s to: hugrad@hamptonu.edu or mailed to:

The Graduate College
Hampton University
Wigwam Hall, 203
Hampton, VA 23668

The Graduate College will forward your application packet to the appropriate department to review once your file is complete. A decision letter will be emailed to the email address on the application once the review process has been completed.
International Students Admission Requirements

Applicants outside of the U.S. need to apply early and allow plenty of time. When you mail your application materials, they may take several days or a few weeks to reach us. We may have to wait for your official TOEFL, IELTS, or other required test scores to arrive. If you are admitted, it will take a few days or weeks for your I-20 Form to reach you by mail. Then you will have to make an appointment for a visa interview at a U.S. Embassy or consulate, which may not be available immediately.

Test of English as a Foreign Language (TOEFL)/International English Language Testing System (IELTS):
Students whose native language is not English must demonstrate that their English language skills are sufficient for them to undertake advanced academic work in an English-speaking institution. To show English proficiency, an applicant must provide scores for the TOEFL or IELTS examination. The TOEFL is administered by the Educational Testing Service (ETS). Hampton University requires a minimum TOEFL score of 525 for admission to the Graduate College or a 6.5 on the IELTS exam. To have your scores sent to Hampton University, you will need to provide the institution code (5292) to ETS. Please consult your TOEFL registration booklet or the department code list on the TOEFL website.
