

HAMPTON UNIVERSITY
HAMPTON, VIRGINIA 23668

THE GRADUATE COLLEGE
(757) 727-5496

March 19, 2020

Dear Prospective Student:

Due to the current world-wide health (COVID-19) crisis many of the test centers for GMAT, MCAT, DAT, GRE, PRAXIS, TOEFL and IELTS have closed sites and/or postponed testing in the United States and Canada, in order to adhere to government guidance. We have been notified that applicants will be able to reschedule the aforementioned tests beginning April 16, 2020. However, please be aware that date may change based on future developments. We are strongly encouraging you to review test centers websites frequently to obtain the most current information.

The Graduate College has extended Graduate College Program Admission Application deadlines for face-to-face programs as outlined below:

May 1, 2020

Entering Summer Session

June 15, 2020

Entering Fall Semester

*Please note Physical Therapy Applications closed on January 15, 2020 and decisions are being communicated.

May 1, 2020

International Applicants Only

Entering Fall Semester

This temporary change for the Graduate College application face-to-face admission deadline will not affect completed applicant files currently under review or newly admitted Summer/Fall 2020 students. We hope the revised dates will encourage you to continue the application process.

Sincerely,

Michelle Penn-Marshall, Ph.D.
Vice President for Research and Associate Provost
Dean, Graduate College
